Election Candidates - 2023

BALAWYDER, Florian

Long time resident of this area, a business professional working in the agriculture sector with over 40 years of experience, recently retired from Richardson Pioneer as a Farm Marketing Representative, currently consulting under contract in the field of agriculture. I have developed a deep understanding of the local industry and a strong passion for serving the community. Council member, Economic Development chairperson and several other community boards that I currently serve on gives me the opportunity to understand the needs of our communities. The continuing financial services that the credit union provides is a vital part of our area.

KARCHA, Duane

My wife, Sharon and I reside in the RM of Preeceville where we farm and operate AgKar Grain Commodities Ltd. I have extensive agricultural experience in serving the local agricultural community in various capacities and have gained a knowledge base of financial needs and opportunities.

I currently am a board member of the Gateway Coop serving as secretary. My interest in the Credit Union is to strongly support serving our local members by having services easily accessible to all members.
